August 4, 2021

Payne County Commissioners  
315 W. 6<sup>th</sup> St., Suite 203  
Stillwater, OK 74074

Board of County Commissioners,

Upon inspection of the 12 month ballot bid proposals received by Payne County, I recommend to the BOCC that Mid-West Printing Company be awarded the twelve month ballot bid for the Payne County Election Board.

Our county has a longstanding excellent working relationship with Mid-West Printing and this vendor has never missed a deadline, has continuously provided an above standard product, has always met specs and their bid for the 8.5" x 17" ballots is equal to the other bid received.

Respectfully,

A handwritten signature in cursive script that reads "Dondee Klein".
