RE: Bid #2020-51

We have reviewed the bid submitted by J&J Custom Fire for the overlay/ retrofit for the Stewart and Stevenson 4X4 brush truck. The bid meets the specifications of the Cushing Fire Department. It is our decision to award the bid to J&J Custom Fire Inc. for the very reasonable price and the craftsmanship of the company. Deputy Chief Novotny and I appreciate the work that the county clerk's office has provided through this process. Thank you.

Derek Griffith, Fire Chief
